In Search of Excellence

No better theme could have been chosen for the senior class of 1964 by the Fighting Scot Annual Staff than "In Search of Excellence" because this year truly has been one of achievement at Laurinburg High School in the field of education. The year 1964 saw Scotland County open the door for progress in educational excellence by the passage of the proposal for the consolidation of the high schools in this county.

We, the senior class of 1964, are conscious of the dedication shown by the city, the school board, the administration, the faculty, and our parents in striving for a program of superior education. We realize that this goal has not been fully achieved and that there are many challenges still facing those concerned with education. We, the graduating class of 1964, eagerly accept these challenges.

Dedication

For your complete sincerity, for your unerring judgement, and for your skillful leadership, we are thankful.

For your friendly encouragement, for your quiet enthusiasm, and for your gift to make us see our duty clearly, we are grateful. We measure your many accomplishments in the light of the highest standards. It is with deep affection and great pride that we, the Senior Class of Laurinburg High School, dedicate the 1964 FIGHTING SCOT to you, Miss Jeannette McLauchlin.
